

Watermelon Echo Song

To the tune of Frère Jacques

I just swal-owed, (I just swal-owed), a wa-ter-mel-on seed, (a wa-ter-mel-on seed),

Will I grow a wa-ter-me-lon, (will I grow a wa-ter-me-lon), deep in me, (deep in me)?

That seed won't grow (that seed won't grow)
In my tummy (in my tummy)
There's no rain or sunshine (there's no rain or sunshine)
deep in me (deep in me).
